PRESS RELEASE

ICSC Condemns Attempted Bombing of the Jewish Synagogue and United States Military Airplanes in New York City

At the news of attempted bombing of the Jewish synagogue and United States Military Airplanes in New York City, We At the Islamic Center of Southern California, are shocked and outraged that people who live in our country were about to commit such a heinous crime. We categorically condemn all sorts and acts of violence in our society regardless who might be the victim or perpetrator. We express our gratitude to the Law Enforcement for debunking such a crime and hope that the perpetrators will be brought under full power of the law.
